

Sustainable beauty - creating effects naturally

We are excited to share with you the latest developments in the sustainable beauty movement. Check out our new formulation of Superstay nude lipsticks that meets Gen Z consumer's demand for eco-friendly and natural cosmetics.

We have created four trendy shades, ranging from peachy nude to red cocoa brown, that complement all skin tones.

Reach out to us for ready-formulation and samples now.

Get inspired by our 'Superstay' lipstick marketing concept – new for 2023

Small particle size gives the desired matte effect
